## SUMMARY

---

I'm A self-taught web developer. Discovered great passion for coding during my degree studies and didn't stop ever since.

A super-fast, autodidact, curious Learner with tons of motivation! Enjoy being part of a team but also work very well on my own.

## EXPERIENCE

---

- |               |   |
|---------------|---|
| 12.2021-today | Junior Web Developer at "RoremX" – Being a part of development team, working on various projects, using mostly: React.js, TypeScript, HTML, CSS.              |
