SUMMARY

I'm A self-taught web developer. Discovered great passion for coding during my degree studies and didn't stop ever since.

A super-fast, autodidact, curious Learner with tons of motivation! Enjoy being part of a team but also work very well on my own.

EXPERIENCE

- 12.2021-5.2022 Web Developer at "RoremX" – Being a part of development team, working on various projects, using mostly: React.js, TypeScript, HTML, CSS.
- 2012-2022 Part time job in "Math Ed. Ltd" in various roles: updating data in the company's website, building interactional games, typing tests, building presentations.
- 2010-2012 **Army service** – enlisted as observer, became commander and then operation room commander in combat intelligence force.

EDUCATION

- 5.2022-today **MondayU Full-stack Program.**
- 2019-2021 **B.A in Instructional Technologies from HIT. Grades average of 90.**
Courses I took: Web development (**JS, HTML5, CSS**), Programming (**C#, .NET, jQuery**), Advanced Programming (**React.JS, python**), Data Bases (**SQL, Access**), Web Accessibility, Mobile Interface Design (XD), UX / UI, Interactive Programming and Design Programs (Adobe).

SKILLS

JavaScript
React.JS
HTML
CSS

TypeScript
Node.JS
jQuery
SQL
